**HEALTHY SMOOTHIES, SOUPS AND MORE**

OVER 40 DELICIOUS RECIPES INCLUDED

**85 dB**  
With full load

Particularly quiet, thanks to patented cooling and noise reduction system

Durable, extra-sharp, titanium coated stainless steel knife, six blades

Robust metal coupling

Powerful high-speed motor with a maximum of 40,000 revolutions

**Description:**

- Powerful high-performance blender for effortless and quick preparation of cold and hot dishes 2,000 W, 220—240 V, 50—60 Hz, high-speed motor
- Indispensable tool in the kitchen
- **Maximum nutrients:** The titanium-coated 6 blades and up to 500km/h blade speed cell walls are broken down and valuable nutrients are released
- **Powerful:** 2.7 hp, 2,000 watts and up to 40,000 rpm ensure powerful blending and fine results with the hardest ingredients
- **Versatility:** 7 automatic programmes (eg. Smoothie, hot soup, ice crush) and manual settings (DIY) for countless preparation options
- **Speed:** smoothies in 45 seconds, coffee beans in 20 seconds, crushed ice in 12 seconds, hot soups in 7 minutes
- **Heat-resistant:** The 2 litre tritan container is heat-resistant up to 95 °C and suitable for hot and ice-cold preparations
- **Low-noise:** Patented cooling and noise reduction system for quiet operation (85 dB when fully charged)
- **User-friendly:** Intuitive touchscreen display with 7 automatic and DIY programmes, non slip feet
- **Durable & safe:** BPA-free, shatterproof tritan container, dishwasher-safe parts, titanium coated blades and sturdy metal coupling
