CLEANING

ROBOT VACUUM CLEANER W. MOP

Step into a world of intelligent cleaning with our smart robot vacuum cleaner. This compact yet powerful helper makes cleaning effortless, thanks to its advanced features that ensure a spotless result every time.

With built-in Wi-Fi connectivity, you can control the vacuum directly from your smartphone and schedule cleanings even when you're away from home. Its strong suction power and efficient side brushes make it easy to remove dust, hair, and debris from every corner of your home. As an added bonus, it also features a mopping system that leaves your floors gleaming.

- Long battery life providing up to 80 minutes of cleaning on a single charge
- Smart navigation that avoids obstacles and stairs
- Easy maintenance with a removable dust container and washable filter.

Say goodbye to spending time and effort on daily cleaning – let this intelligent vacuum take over. With its sleek design and smart features, you'll enjoy a home that's always clean and inviting.

Compatible with Alexa and Google Home.

DUST CONTAINER: 370 ML

WATER TANK: 150 ML
