ROSE GOLD POT 5.8 L WITH LID HYBRID

The Hâws Santo Rose Gold Series 5.8 L casserole with lid combines functionality, quality and style in an elegant, space-efficient design. Built with advanced 3-layer multi-ply technology – stainless steel inside and out with an aluminium core – this casserole ensures fast and even heat distribution for excellent cooking results every time.

The tough, PFAS-free hybrid non-stick coating is safe for use with metal utensils and makes cleaning effortless. The casserole is oven-safe up to 260 °C (150 °C with lid) and can withstand temperatures up to 400 °C on all types of hobs, including induction.

The heat-insulated handles offer a secure, comfortable grip even at high cooking temperatures.

Certified according to the Recycled Blended Claim Standard, meaning that parts of the materials come from verified recycled content – a guarantee of responsible production and supply chain transparency.

A stylish and versatile choice – ideal for everyday meals as well as more demanding dishes. Explore more matching products in the Rose Gold Series.
