ROSE GOLD PAN

ROSE GOLD PAN 24 CM HYBRID

The Hâws Santo Rose Gold Series 24 cm frying pan combines functionality, quality and style in an elegant, compact design. Built with advanced 3-layer multi-ply technology – stainless steel on the outside and inside with an aluminium core – the pan ensures fast and even heat distribution for perfect cooking results every time.

The PFAS-free hybrid non-stick coating provides a durable, environmentally friendly surface that easily withstands the use of metal utensils – without compromising on performance. The coating also makes the pan easy to clean.

The pan is oven-safe up to 260 °C and suitable for all types of hobs – including induction – up to 400 °C, offering maximum flexibility in the kitchen regardless of cooking method.

The heat-insulated handle offers a safe, secure, and comfortable grip, ensuring easy and confident handling even when cooking at high temperatures.

Certified according to the Recycled Blended Claim Standard, meaning that parts of the materials come from verified recycled content – a guarantee of responsible production and supply chain transparency.

A stylish and versatile choice – ideal for everything from everyday meals to more demanding dishes. Explore more matching products in the Rose Gold Series.
