ROSE GOLD PAN

## ROSE GOLD PAN 28 CM HYBRID

The Hâws Santo Rose Gold Series 28 cm frying pan combines functionality, quality and style in a sleek, compact design. Made with advanced 3-layer multi-ply technology – stainless steel on the exterior and interior with an aluminium core – the pan ensures fast and even heat distribution for consistently excellent cooking results.

The PFAS-free hybrid non-stick coating offers a durable, eco-friendly surface that easily withstands metal utensils without compromising its long-lasting performance. It also makes the pan easy to clean.

The pan is oven-safe up to 260 °C and suitable for all hob types – including induction – withstanding temperatures up to 400 °C, giving you maximum flexibility for any cooking method.

The heat-insulated handle offers a safe, secure, and comfortable grip, ensuring easy and confident handling even when cooking at high temperatures.

Certified to the Recycled Blended Claim Standard, ensuring verified recycled content and a commitment to responsible manufacturing.

A stylish and versatile choice – ideal for both everyday use and more demanding dishes. Discover more matching products in the Rose Gold Series.
