ROSE GOLD PAN 30 CM HYBRID

The Hâws Santo Rose Gold Series 30 cm frying pan combines functionality, quality, and style in an elegant, compact design. Crafted with advanced 3-layer multi-ply technology – stainless steel on the exterior and interior with an aluminium core – the pan ensures rapid and even heat distribution for perfect cooking results every time.

The PFAS-free hybrid non-stick coating provides a durable, environmentally friendly surface that easily withstands metal utensils without compromising the coating's long-term performance. It also makes the pan quick and easy to clean.

The pan is oven-safe up to 260 °C and suitable for all types of hobs – including induction – withstanding temperatures up to 400 °C, offering maximum flexibility no matter how you prefer to cook.

The heat-insulated handle provides a safe, secure, and comfortable grip, ensuring easy and confident handling even during high-temperature cooking.

Certified to the Recycled Blended Claim Standard, guaranteeing verified recycled content and a commitment to responsible, transparent manufacturing.

A stylish and versatile kitchen essential – perfect for everything from everyday meals to more demanding dishes. Explore more matching products in the Rose Gold Series.
