ROSE GOLD PANCAKE PAN 24 CM HYBRID

The Hâws Santo Rose Gold Series 24 cm pancake pan combines functionality and style in a thoughtfully designed piece, created to handle even demanding kitchen tasks with ease.

Made with advanced 3-layer multi-ply technology – stainless steel with a durable, PFAS-free hybrid coating – the pan ensures fast and even heat distribution, making it perfect for pancakes, crêpes, flatbreads and more. It is oven-safe up to 260 °C and can withstand temperatures of up to 400 °C on the hob, making it suitable for a wide range of cooking methods.

The ergonomic handle stays cool during use, offering a safe and comfortable grip even at high temperatures. The tough hybrid coating is metal utensil-safe, easy to clean, and environmentally friendly.

Certified according to the Recycled Blended Claim Standard, meaning that parts of the materials come from verified recycled content – a guarantee of responsible production and supply chain transparency.

Whatever your skill level in the kitchen, this pancake pan is a reliable, versatile – and fun – companion. Discover more quality products in the Santo Rose Gold Series.
