ROSE GOLD ROASTING PAN

## ROSE GOLD ROASTING PAN 30 X 16 CM HYBRID

The Hâws Santo Rose Gold Series roasting pan (30 x 16 x 6 cm) combines function, durability, and sustainability in a sleek, modern design. Built with advanced multi-ply technology – stainless steel on the exterior and interior with an aluminium core – it ensures even heat distribution for consistent cooking results every time.

The roasting pan can be used directly on induction hobs, giving you maximum flexibility in the kitchen.

The durable, PFAS-free non-stick coating stands up to metal utensils and is effortless to clean – including in the dishwasher. With oven safety up to 260 °C, this tray is perfect for anything from daily dinners to festive feasts.

Certified to the Recycled Blended Claim Standard, which means parts of the material are made from verified recycled content – a guarantee of responsible production and supply chain transparency.

A reliable kitchen companion – whether you're a beginner or a passionate home cook. Explore the full range of quality products in the Santo Series.
