ROSE GOLD ROASTING PAN 31 X 25 CM HYBRID

The Hâws Santo Rose Gold Series roasting pan (31 x 25 x 6 cm) combines functionality, durability and sustainability in a sleek, modern design. Made with advanced multi-ply technology – stainless steel inside and out with an aluminium core – it delivers even heat distribution for consistent cooking results every time.

The roasting pan can be used directly on induction hobs, giving you maximum flexibility in the kitchen.

The tough, PFAS-free non-stick coating is safe for use with metal utensils and makes cleaning easy – even in the dishwasher. The tray is oven-safe up to 260 °C, making it ideal for everything from everyday meals to special occasions.

Certified to the Recycled Blended Claim Standard, meaning parts of the material are made from verified recycled content – a guarantee of responsible production and supply chain transparency.

A dependable kitchen essential – whether you're a beginner or an experienced home cook. Discover the full range of premium cookware in the Santo Series.
