CORDLESS MINI CHOPPER

Have you ever wished to chop onions and vegetables effortlessly and without the limitation of a cord? Hâws cordless mini chopper makes this possible! With its 1000ml glass container and cordless battery system, you can take it with you anywhere as long as the battery is charged.

The blades in the mini chopper are made of stainless steel, and with the additional blade attachments, you can make large portions in no time. The product is made of BPA-free materials and features a rechargeable lithium battery, allowing you to use it again and again.

The mini chopper has 2 different speeds, so you can adjust the speed according to what you are chopping. In addition to chopping, you can also use the whisk attachment, which comes with the product, to whip cream and more.

Hâws cordless mini chopper also comes with a lid for the container, making it easy to store your delicious dips and more.

It takes only about 2.5 hours to recharge the battery, so you can always have your mini chopper ready when you need it.

Save time and effort with Hâws cordless mini chopper. It is the perfect solution for anyone who wants a convenient and efficient way to chop ingredients without worrying about cords and space limitations.
