TALKING EGG COOKER

Hâws talking egg cooker always makes perfect eggs. The talking egg cooker delivers a consistent result every time, whether you prefer soft-boiled, smiling or hard-boiled eggs. What's more, it tells you when the eggs have reached the different stages. You can set the egg cooker to speak 5 different languages - Norwegian, Swedish, Danish, English and German. The egg cooker can cook up to 6 eggs at a time on the removable egg holder and comes with a measuring cup with a needle. The needle is used to make a small hole in the egg before cooking.

The front of the egg cooker has a small storage compartment for the measuring cup so it can be easily stored and won't get lost.
