## ELECTRIC KETTLE WITH SMART LID

Hâws electric water kettle with smart lid technology. The smart lid opens and closes by itself when filling with water. As the water hits the lid, it opens for filling and then closes itself again. The electric water kettle has a capacity of 1.7 L and has a 360 degree cordless design. The product automatically switches off for protection against dry cooking. The on / off button is lit, when in use.
