SODA AND SPARKLING WATER MACHINE

Bubbles whenever you feel like it. With Hâws soda & sparkling water machine, you can quench your thirst for sparkling water or soda at any time. By making your own soda or sparkling water, you can easily add your favourite flavour, but at the same time you also reduce the consumption of plastic bottles. The recyclable plastic bottle that comes in the box holds 0.85L. It is up to you whether you want your bubbles with or without flavour. Only your imagination sets limits to what flavors you can add - try for instance juice, berries, fruits, vegetables, herbs etc.
