COFFEE MAKER

Discover a new and improved coffee experience with the Hâws Coffee Maker!

FAST BREWING TIME of approximately 6 minutes, give the option to easily make a delicious coffee in no time.

BREW 1.25 LITERS OF COFFEE which is equivalent to around 10 cups, so you can enjoy coffee with family and friends. With the Hâws coffee machine's anti-drip function, you don't have to worry about coffee dripping out of the machine while it's brewing. This means you can enjoy a clean and tidy brewing process.

ECBC CERTIFIED which means it has been tested and approved by the European Coffee Brewing Center. You can therefore be sure that your coffee is of high quality every time you brew it.

After brewing, the Hâws coffee machine can keep your coffee hot for a full 40 minutes. Then the machine turns off automatically, so you don't have to worry about safety or the environment.

REMOVABLE FILTER making it easy to clean the machine. It also comes with a handy measuring spoon so you can measure the perfect amount of coffee every time. Get a unique coffee experience with the Hâws Coffee Maker - your perfect brewer for home or office!
