

## TABLE AND PANINI GRILL

Hâws table and panini grill can easily grill meat, fresh, vegetables or sandwiches. The coating on the plates is ILAG, which means they are PFAS free.

It opens up a full 180 degrees, making it possible to have them standing on the kitchen counter. This makes it easy for you to extend the grilling season to last all year round.

In addition to serving as a countertop grill, you can also use it as a normal toaster to grill sandwiches or panini. The multi-functional product for your kitchen!

The panini grill has a cooking surface of 25.6 x 17.8 cm.
