## ELECTRIC KETTLE 1.7 LITER

Step into a world of perfection and style with Hâws electric kettle. This incredible kettle combines innovative design and outstanding features to provide you with an extraordinary experience.

When using the electric kettle, you're not just getting a simple kettle, but a companion that will impress you on every level. To offer you the perfect brew, it features five adjustable heat settings. Whether you prefer a mild cup of tea or a strong cup of coffee, you can fine-tune the temperature to your preferences and ensure the perfect brew every time.

Imagine having the freedom to move around your kitchen without being restricted by annoying cords. With the 360-degree cordless design, you can lift the kettle off the base and pour the water from any desired angle. It's freedom and convenience all at once.

With the automatic shut-off function, you no longer have to worry about forgetting to turn off the kettle. It automatically shuts off when the water reaches boiling point, saving energy and providing you with extra peace of mind in your daily life.

Safety is always a top priority with Hâws electric kettle. It is equipped with eight control functions that protect the kettle against overheating, ensuring your safety during use.

Hâws electric kettle also offers a convenient keep-warm function. It automatically keeps the water hot after the program has ended, allowing you to enjoy hot water whenever you need it.

Experience perfection and elegance with Hâws electric kettle, where functionality meets style in the most remarkable way.
