## AIR FRYER 6.5L 1650W

Introducing our latest addition to your kitchen: the powerful Hâws Airfryer with 6.5L and 1650W. With its innovative design and advanced features, it allows you to prepare delicious and healthy meals in a simple way.

**TRANSPARENT GLASS PANE ON TOP** so you can easily keep an eye on cooking without having to open the lid. The digital temperature control lets you precisely set the temperature from 80 to 200 degrees Celsius, while the 60-minute timer ensures your dishes are always cooked perfectly.

**11 PRESET PROGRAMS** allow you to choose the right cooking method with ease. Functions like Keep Warm, Delay and Shake give you extra control and flexibility in the kitchen. The 6.5 liter pan with non-stick coating provides enough space to cook large portions at once.

For your safety, our Airfryer is equipped with overheat protection and an auto-off function that is activated when the lid is opened. In addition, the practical LED display with touch screen gives you easy access to all functions.

**OUR AIRFRYER IS ALSO PFAS-FREE**, which means your meals are always cooked healthy and safe. With a built-in timer beep function and a modern and elegant finish, our Airfryer is the perfect choice for any cooking enthusiast.
