AIR FRYER 10L 2400W W. DEVIDER

With an impressive power of 2400W (850W+1550W), Hâw's 10 liter air fryer guarantees our air fryer a fast and efficient cooking experience and can be used as one large 10L basket or divided and cook 2 different items with baskets of 2 x 5L.

TECHNOLOGICALLY ADVANCED COOKING: With a timer ranging from 0 to 60 minutes and an adjustable temperature control from 60 to 200 degrees, our air fryer gives you full control over your cooking. Auto-stop with memory function and auto shut-off with clear alarm ensure your dishes are cooked perfectly every time.

WITH 10 DIFFERENT COOKING FUNCTIONS including a large frying pan with divider function, our air fryer is designed to meet every cooking need. The digital touchscreen panel makes it easy to select your settings and monitor your cooking.

ECO-FRIENDLY AND PRACTICAL Inside, our air fryer is equipped with galvanized metal for long-term durability and easy cleaning. In addition, it has a PFAS-free coating that makes it safe from harmful substances and environmentally friendly.

Experience a new dimension of cooking with our air fryer, combining power, convenience and advanced technology to deliver exceptional results every time.
