STEAMER STATION

STEAMER W. STAND 1750W GRAY

The floor standing steamer is a reliable solution for efficient garment processing at home. The steamer is designed to work with a power output of 1750W, making it powerful enough to meet the needs for fast and efficient steaming.

The floor standing steamer is the perfect solution for freshening and smoothing a wide range of garments, including shirts, suits, dresses and more.

With its powerful steaming ability, it can easily remove creases and wrinkles from fabrics of different types, giving a professional look in no time.

The adjustable steam level and fast heat-up in less than 60 seconds make it ideal for everyday use as it can be adapted to different fabric types and ironing needs.

Thanks to its long runtime of up to 60 minutes and a large 1.8 liter water tank, it can also handle larger quantities of clothes without interruption. With this floor standing steamer, you can easily and quickly achieve a neat and tidy appearance for a wide range of garments.
