

AIR FRYER 8 LITRES

hâws

AIR FRYER 8L - 2100W

The Hâws Air Fryer holds an impressive 8L in just one drawer. Powered by an impressive 2100 watts of power, our air fryer, equipped with dual heating elements, guarantees a fast and efficient cooking process.

FULL CONTROL over your dishes with a timer ranging from 0 to 60 minutes and an adjustable temperature control from 80 to 200 degrees. Thanks to the innovative 360-degree thermal cycling technology, even heating is ensured, delivering perfectly cooked meals every time.

10 PRESET PROGRAMMES make it extra user-friendly. A digital display with time and temperature settings, the Hâw air fryer makes it easy to prepare a wide variety of dishes. Plus, automatic shut-off with clear alarm and overheat protection ensures your cooking is safe and hassle-free.

PFAS-FREE COATING is something the entire air fryer is coated with. This ensures that your meals are prepared in a healthy and sustainable way. Experience the future of cooking with our powerful air fryer, which combines advanced technology with simple operation, and get inspired to make delicious and healthy meals at home.
