AIR FRYER 9 L 1800W

Optimise your cooking experience with our powerful Air Fryer. With an impressive 1800 watts of power, this air fryer is the ultimate tool for healthy and tasty cooking at home.

THE DIGITAL TEMPERATURE AND TIME CONTROL between 80-200°C gives you precise control over your dishes, while the 11 preset cooking functions make it easy to prepare a wide range of meals. In addition, DIY allows you to set the time and temperature yourself.

INNOVATIVE FRY FORCE 360 TECHNOLOGY ensures even and efficient air circulation, resulting in crispy and delicious dishes every time.

CONVENIENT WINDOW that allows you to keep an eye on your dishes during cooking. Plus, it has timer control so you can set the cooking period up to 60 min.

'KEEP WARM,' 'DELAY,' AND 'SHAKE' ensure that your dishes stay perfectly cooked and warm until you're ready to serve them. The smart LED display with touch screen makes it easy to navigate through the settings and ensures intuitive operation of the air fryer.

PFAS-FREE COATING for chemical-free cooking. Make your cooking more convenient and delicious with our advanced air fryer that combines power, technology and convenience in a unique way.
