TABLE AND PANINI GRILL 2000W

Introducing our advanced Table and Panini Grill, with a powerful 2000 watt motor and removable grill plates you can easily prepare delicious sandwiches, paninis and more with ease.

MECHANICAL THERMOSTAT CONTROL gives you full control over the temperature so you can customize the cooking to your preferences. The stainless steel upper cabinet not only adds an elegant touch to your kitchen, but also ensures durability and long-lasting performance.

OPENING FUNCTION FROM 105 TO 180 DEGREES you can grill even the thickest sandwiches effortlessly. The floating function and handle lock ensure even pressure and cooking, while the drip tray is cleverly tucked away to ensure a clean and tidy workspace.

PFAS-FREE COATING ensure that your cooking experiences are not only convenient but also safe. This coating makes it easier to prepare and clean while eliminating the risk of transferring potentially harmful substances to your food.

The Panini Grill's compact size of 36.9x34.7x17.6 cm makes it ideal for any kitchen.
