Green Transition

AIR FRYER 7.5L 1800W

Discover our 1800W Air Fryer that takes your cooking to new heights with its efficient technology and convenient features!

WITH DUAL HEATING ELEMENTS and a wide temperature control from 50 to 200 degrees, you have full control over your cooking. The high-speed air circulation technology ensures fast and even cooking of your favourite dishes with minimal oil consumption.

THE BUILT-IN TIMER allows you to set the cooking time up to 60 minutes, while the automatic switch-off function with clear bell ensures your food is perfectly cooked every time. With the full touch display, you can easily navigate through the 10 different preset menus and adjust the settings to suit your needs.

The Air Fryer is also designed with your convenience in mind. It has a filter function that effectively filters smoke and odours while cooking.

REMOVABLE BASKET WITH PFAS-FREE COATING is easy to clean. And with the cool touch handle that is shock-absorbing, you can safely operate the device without the risk of burns.

Get the most out of your cooking and create healthier and delicious meals with our Air fryer. Your path to a more convenient and healthier dining experience starts here!
