AIR FRYER SILICONE LINERS 3 SET

Discover new cooking possibilities with our innovative silicone liners set designed specifically for airfryers. This set is the perfect addition to your kitchen and expands your possibilities, allowing you to easily prepare a wide range of delicious dishes in your airfryer.

The liners fit most standard airfryers perfectly and can withstand temperatures from -40°C to 230°C. This makes them incredibly versatile as they can be used for everything from freezing ice cream desserts to baking cakes, making gratin, cooking lasagna or even roasting vegetables and meat.

The silicone surface ensures that your food releases easily and effortlessly, making cleaning a breeze. With our silicone liners set, you can prepare healthier meals with less oil, without compromising on taste and texture.

The high-quality silicone makes the liners durable and flexible, so they can be used again and again without losing their shape. In addition, the size and flexibility of the liners are ideal for storage, even in small kitchens, making them both practical and space-saving.

The package contains 3 x silicone liners measuring

2 x W17,5 x D21 x H8 cm

1 x W37 x D21 x H8 cm
