Hâws Toaster – Perfect toast, every time

Make your mornings smarter with the Hâws toaster, where design meets functionality.

With 6 browning settings and an intuitive digital display, you can easily adjust the level to get your toast just the way you like it – light, golden, or crispy.

The toaster includes practical presets for bread, bagels, waffles, pastries, and muffins, ensuring consistent and delicious results every time.

Features like automatic pop-up, cancel button, reheat and defrost functions give you full control and flexibility in everyday use.

The built-in crumb tray makes cleaning quick and easy. A stylish choice for any modern kitchen – in both looks and performance.
