BREAKFAST SET

Elegant functionality for your morning routine.

Start your day with style and comfort with the Hâws breakfast set – a sleek and timeless combination of kettle and toaster.

The kettle has a generous 1.7-litre capacity and a powerful 2200 W output, allowing you to boil water quickly for tea, coffee or other hot drinks. The built-in anti-calc filter ensures a fresh and clean taste every time. The cordless design gives you full freedom of movement in the kitchen, while the automatic shut-off prevents overheating and helps save energy. The illuminated on/off switch adds extra convenience.

The toaster is both functional and easy to use. With 7 adjustable browning levels, you can toast your bread exactly the way you like it – light, golden or crispy. It includes practical features like reheat, defrost, cancel button, and automatic pop-up. The auto-centring function ensures even toasting, and the sliding crumb tray makes cleaning easy.

Perfect for anyone who values quality, design and functionality in one complete solution. With the Hâws Breakfast Set, you get a stylish and reliable start to your day – every day.
