INSTANT VORTEX PLUS VERSAZONE AIR FRYER 8,5L

Cook a family meal in a single 8.5L basket or divide it into 2 x 4.2L zones. You can do much more than airfry with 8 functions in 1. Bake, roast, grill, reheat, airfry or dehydrate, plus Smart SyncCook & SyncFinish.

Fast, versatile and convenient, make all your favourite dishes with less oil and no mess. The Instant Vortex Plus Versazone Airfryer offers a healthier and convenient alternative to deep frying plus the versatility of 8 functions. With EVENCRISP™ TECHNOLOGY, you get the crunch and tenderness of deep frying with 95% less oil.

- Enjoy the deep-fried flavour and texture with up to 95% less oil
- Airfry juicy hot wings and crispy fries, onion rings and more
- Fry cauliflower bites, prawn skewers, garlic potatoes and chicken nuggets
- Bake calzones or mini pizzas, cinnamon rolls and delicious brownie bites
- Grill vegetables and meat
- Dehydrate your own dried fruits
- Reheat: Who needs a microwave? Easily reheat leftovers.
- The smart **SyncCook** feature means you can automatically match settings between drawers
- Use **SyncFinish** to make sure the food in the two drawers is done at the same time! And if you only want to cook a small portion, cook in one drawer
