INSTANT VORTEX SLIM AIR FRYER 5,7L

Meet Vortex's quietest airfryer yet - it's QuietMark accredited. It's perfect for small kitchens as it's 20% slimmer - without compromising on food capacity.

The elongated basket fits longer foods like salmon fillets and a leg of lamb, so there's no need to cut your favourites into pieces. With EvenCrisp™ technology, the Vortex Slim creates the perfect crispiness with up to 95% less oil compared to deep frying.

The air fryer is easy to use. With its touchscreen interface, cooking progress indicator, message bar and control dial, you can easily cook your food to perfection. Plus, the audible alerts let you know when to add food, turn food and when your meal is ready.

Cleaning is quick and easy - the basket has a non-stick coating and is dishwasher safe.
