

NINJA

NINJA BN750EU 2-I-1 BLENDER WITH AUTO-IQ

From smoothies, breakfast drinks, iced cocktails, sorbets and desserts to sauces, dips and dressings, this next generation Ninja blender takes you from breakfast to dinner with ease.

The blender makes enough drinks to share with the 2.1 liter pitcher or blend your to-go drink directly into the 700 ml cup to enjoy a drink on the go.

SIMPLE ONE-TOUCH CONTROLS make it easy to either select automatic programs or manual settings - all designed to deliver the perfect result, exactly the way you want. Attach the jug or cup and the available programs light up on the control panel.

NO MORE GUESSWORK WITH AUTO-IQ TECHNOLOGY. Exclusive to Ninja, these intelligent blending programs are tailored to deliver the results you want at the touch of a button.

3 UNIQUE PULSE, PAUSE AND BLEND PATTERNS do all the hard work for you. You can also take control with manual settings.
