NINJA BN650EU FOOD PROCESSOR WITH AUTO-IQ

Create everything from burgers to salads, sauces to salsas, batters to desserts with this Ninja Food Processor. The automatic one-touch cooking programs do all the hard work for you - it's called Auto-iQ Technology.

CHOP, BLEND, PUREE, SLICE AND GRATE even the toughest ingredients with interchangeable cooking attachments and stainless steel blades.

SIMPLE ONE-TOUCH CONTROLS make it easy to either select automatic programs or manual settings - all designed to deliver the perfect result, exactly the way you want.

NO MORE GUESSWORK WITH AUTO-IQ TECHNOLOGY. Exclusive to Ninja, these intelligent food preparation programs are tailored to deliver the results you want at the touch of a button. Four unique pulse, pause and process patterns do all the hard work for you. You can also take control with manual settings.

Chop and puree quickly and precisely with the cutting blade. Prepare vegetables, salads and grated cheese with the slicing/grating disc. Make dough, whips and mixes with the dough tool.

Cleaning is easy thanks to dishwasher-safe parts.
