Ninja Blast Cordless Portable Blender Denim Blue

Experience the power of the Ninja Blast Blender - Ninja's most compact and quiet blender, providing you with the freedom to live life to the fullest.

POWERFUL. PORTABLE. RECHARGEABLE. With the Ninja Blast Blender, you can easily and quickly whip up delicious drinks and smoothies wherever you are - at the gym, in the park, in your car, at work, and beyond. This sleek cordless blender is designed to deliver the high performance that Ninja is known for, no matter where you find yourself.

NINJA BLAST TECHNOLOGY. With our advanced Ninja Blast Technology, you can crush ice and frozen ingredients in an instant, creating smooth smoothies, protein shakes, refreshing slushies, ice-cold cocktails, frappes, and iced teas - and even whip up dips and dressings. The unique ribbed cup design creates a powerful vortex, while the stainless steel BlastBlade Assembly effortlessly pulverizes even the toughest ingredients.

CORDLESS FREEDOM. Whether it's your morning workout at the gym, a busy day at the office, a picnic in the park, homemade purees for the little ones, or cocktails in the garden, you can now enjoy your perfect drink anytime, hassle-free, with this lightweight and rechargeable TO-GO blender. The rechargeable USB-C base provides you with more than 10 blends on a single charge.
