NINJA DETECT TB301EU BLENDER PRO + SINGLE SERVE

Experience the ultimate blending experience with the Ninja Detect™ Duo® Power Blender Pro! Equipped with advanced BlendSense™ technology, this blender automatically adjusts speed and time to ensure a perfectly smooth consistency every time. The intuitive dial tells you exactly what mode the blender is in, making it easy and convenient to use.

The large 2 litre jug lets you easily make large batches of smoothies and frozen drinks for the whole family, while the Total Crushing® & Chopping blades give you perfectly crushed ice and chopped vegetables in no time. The two 700 ml single-serve cups are perfect for those on the go, so you can enjoy your favourite drinks anywhere.

The blender offers one-touch preset programmes for chopping and blending, and variable speeds give you full control over your creations. The Liquid Detect function notifies you when more liquid is needed in the single-serve cups. All parts are BPA-free and can be easily cleaned in the dishwasher.

With the Ninja Detect™ Duo® Power Blender Pro you get everything you need to create the most delicious smoothies, shakes, salsas and more - fast, easy and perfect every time!
