## SHARK NEVERCHANGE AIR PURIFIER HP150EU 60M<sup>2</sup>

Shark NeverChange5 is the ideal solution for a healthier home, bedroom or workspace. With an impressive 60 m<sup>2</sup> coverage and a long-lasting HEPA filter that lasts up to five years\*, you don't need to worry about frequent filter changes.

The advanced 4-layer filter captures a whopping 99.97% of all allergens, including dust, pollen and pet dander, ensuring your air is clean and free from irritants\*\*. Anti-Odour technology releases a refreshing scent and neutralises up to twice as many odours\*\*\*, so your home always smells fresh and pleasant.

With Clean Sense IQ technology, Shark NeverChange5 automatically monitors air quality and adjusts cleaning power as needed, ensuring optimal results throughout the day. You can easily keep track of the air quality on the clear LED display, which shows real-time results.

This air purifier is designed to be both efficient and discreet with silent operation and dimmable lights, making it ideal for night use. It effectively covers 60 m<sup>2</sup> with 1 air change per hour and 12 m<sup>2</sup> with 4.8 air changes per hour.

\*Tested according to GB/T18801-2015 P.CCM, based on 50% CADR reduction, 12 m<sup>2</sup> cleaning area and 12 hours daily operation at MAX fan speed. \*\*Non-living matter, based on IEST-RP-CC007.3, 99.97% at 0.1-0.2 microns. \*\*\*Based on ASTM E544 compared to HP150 with filter and carbon after 30 minutes.
