**ELECTRIC  
SCREWDRIVER**

Get the job done easily and efficiently with the Hâws Tools Electric Screwdriver – the perfect assistant for all your DIY projects.

With a torque of up to 3 Nm, 220 rotations per minute, and a long-lasting 1,500 mAh lithium-ion battery, it handles both hard and soft screws effortlessly. The 180° rotating handle offers flexibility, allowing you to work precisely from any angle.

A powerful LED work light and battery indicator ensure excellent visibility and control throughout the task. It charges easily via USB-C and comes complete with a 45-piece accessory set and a practical storage case.

On a single charge, you can drive up to 75 screws into hardwood – with no pre-drilling required. Ready for any task, wherever you are.

PRACTICAL STORAGE CASE

INCL. 45 PARTS

**Included in the case:**

Cordless screwdriver	Storage case
USB-C charging cable	25 mm bit set (28 pieces)
1 x 50 mm bit extension	50 mm bit set (4 pieces)
2 x HSS drill bits	1 x flexible shaft
8-piece nut set incl. adapter	

**TECHNICAL DATA**

Item no.:	30-HTCS47	Master box:	12
